American PULVERIZER COMPANY FINANCING

LEASES

Leases can offer significantly lower monthly payments and may have tax benefits. There are three primary types of leases offered by American Pulverizer Company Financing as outlined below. Due to the various options available, please contact your American Pulverizer Company Financing representative to discuss a custom solution based on the standard below:

- **Capital Leases**
- **Fair Market Value (Operating Lease)**
- **Municipal Lease**
- **Terms of 24–60 months** (72 months available on case-by-case basis)

LOANS

American Pulverizer Company Financing offers fixed rate loans which can be tailored to your specific needs:

- **Balloon Loans**
- **Standard Loans**
- **Custom Option Loans**
- **Terms of 24–60 months** (72 and 84 months available on case-by-case basis)

MASTER LEASE PURCHASE PROGRAM

American Pulverizer Company Financing makes it easier to acquire the equipment both for your immediate needs as well as over the next annual budget period. Your Master Lease account means you are set for whatever American Pulverizer Company equipment purchases you need over the next annual (12 month) period from the date of approval.

- **Master Lease may be used for any financial products available including leases, loans and custom solutions**
- **One simple minimal financial refresh at six months, if required**
- **Minimum Master Lease of \$100K required (All American Pulverizer Company equipment purchases applicable)**
- **NO costly Master Lease administration fees**
- **Competitive rates (indexed to Treasury Rate Swaps)**
- **New and used equipment purchased through American Pulverizer Company are eligible**
- **One-Stop shopping for your American Pulverizer Company equipment purchases**

CUSTOM SOLUTIONS
